

THE SCHOOL DISTRICT OF PHILADELPHIA

Northeast Community Propel Academy **School-Parent Compact**

School Year 2022-2023

Revision Date:

09/01/2022

Dear Parent/Guardian,

JOINTLY DEVELOPED

Mission/Vision: To provide students with exciting and rigorous S.T.E.A.M. driven educational experiences that will develop the skills necessary to research, design, produce and communicate solutions to real world problems, to benefit their future and the future of society. This compact highlights what we're committing to doing for parents in our effort to provide our students with a high quality educational experience. It was developed in partnership with our School Advisory Council. A parent input meeting was held on May 11, 2022, where parents were invited to give input into the development of this Compact.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

[The Board of Education's updated Goals and Guardrails are available on the School District Website at www.philasd.org.](http://www.philasd.org)
